Pipeline Test Project

- 1. Introduction 2
 - 1.1. Using the pipeline..... 2

Chapter 1. Introduction

[fabric8 Pipeline Library](#) is repository of reusable [Jenkins Pipeline](#) steps and functions that can be used in your Jenkinsfile to help improve your Continuous Delivery Pipeline

1.1. Using the pipeline

To use the functions in this library just add the following line to the top of your Jenkinsfile:

```
@Library('github.com/fabric8io/fabric8-pipeline-library@master')
```
